Due to the amount of interest we feel the need to scotch the rumours that have often come to our attention that Linda Mathews, Beryl Ryan and Lorna Fletcher do not receive any kind of financial reward for any time concerning the Community House, everything is purely voluntary.

.....

Congratulations to Jean Bate of Guild Road for coming first in Whitefriars Garden Competition - well done.

.....

Thanks for the support shown for the trips this year. We are pleased everyone enjoyed themselves (including us). Thanks to all volunteers who gave their time to help make the day trips a success.

Hello Everyone,

I'm Claire McCamley and I have been appointed by Beryl, Linda and Lorna as the Community House Centre Manager from September 2005 and I would like to say a big thank you for the warm welcome I have received.

I have been employed by Guild Place Ltd to encourage an increase in community involvement and participation, getting us ready for our new community centre.

I need you - I cannot do this without you! I want to know what your interests are, what you would like to see happening in your community, what would bring you to the community house/centre.

Over the coming weeks I will be delivering a questionnaire to you to find out what interests you have and what activities you would like to take part in. Also, to find out if you have any skills tucked away and would like to become a volunteer at the Community House or you can pop in and have a chat with me.

Keep your eyes on the notice board outside the Community House or leaflet drops for up and coming events!
