

Thinking of applying for a transfer?

We would like to remind our customers of the rules relating to transfers:

- Your rent account must be clear
- You should not owe any other debt to us - for example, a repair for which we've charged you
- Your property must be in very good condition, including decoration and repair
- Your garden must be well maintained and free of rubbish
- You, anyone living in or visiting your property must not have committed Anti-Social Behaviour
- You must not be in breach of any of your tenancy conditions

If you don't meet any of these conditions then please don't bid, as we will be unable to progress with your transfer.

If you are successful in your bid, and you meet the criteria, our officers will make an appointment with you to inspect your property. They will check the condition of your property and garden and confirm if your transfer can go ahead. They will also check to see if you owe us any money.

If you are bidding for a property owned by another Housing Association, the same rules outlined above will apply.

Coventry Homefinder is a partnership between Coventry City Council and housing associations in the city. The aim is to provide an improved service to customers looking for housing associations properties. For more information on Coventry Homefinder, please go to www.coventryhomefinder.com
