

Customer Information

Equality and Diversity

You can expect to be treated fairly, with respect and according to your needs when using our services. We expect our staff to be treated fairly and with respect.

We aim to:

- Make sure that our offices are easy for you to get into and to move about in
- Provide the information you need, in ways that you find easy to understand
- To review our policies, procedures and practices to ensure that they are fair to all customers
- Take into account any particular needs you have when we let you one of our properties and once you have become one of our tenants
- Take prompt and effective action if you face harassment where you live
- Only work with contractors and other agencies that share our commitment to be fair to all

Making progress:

Each year we will see what progress we have made towards meeting these standards.

If you have a complaint:

If you think we have not treated you fairly we will examine your complaint carefully. We provide a formal complaints service and will give you information which tells you how to complain and how we will deal with your complaint.

Our Customer Service Standards and Customer Information for each service area are on our website www.whitefriarshousing.co.uk or available on request from our housing offices.

We offer a wide range of leaflets which detail our policies, procedures and good practice and these are available on request.
