

Coventry **HOMEFINDER**

Letting you choose

Welcome to Coventry Homefinder

Coventry Homefinder is a partnership between Coventry City Council and housing associations in the city. We aim to provide an improved service to customers looking for housing association homes. We advertise properties each week giving customers a choice of what is available.

How to register

You will need to register with Coventry Homefinder. Please complete the easy to follow on-line application form on our website www.coventryhomefinder.com.

If you do not have access to a computer, you can use the computers at any of the libraries throughout the city. See list overleaf.

Once you have been registered, we will write to you to confirm your membership on the scheme. You will also receive "Your GUIDE to Coventry Homefinder" which explains how the scheme works.
